JUSTICE FOR IMMIGRANTS

Our Bishop in unison with the United States Conference of Catholic Bishops supports comprehensive reform for our nation's immigration system and urges all Catholics to join them in this effort. Our parish will soon support this effort by providing information on immigration and then by participating in the USCCB Justice for Immigrants Postcard Campaign. Through our efforts, we will support legislation that keeps immigrant families together, adopts smart and humane enforcement policies, and ensures that immigrants without legal status register with the government and begin a path toward citizenship. "...every man and woman may be regarded as brothers and sisters, children of the same Father." Pope Benedict XVI

THANK YOU

THE WAYNE STUMP FAMILY would like to express their thanks to the funeral committee and all those who donated food for the reception after Wayne's funeral on March 5th. We had so many people, not from our parish, who were very impressed with the delicious foods as well as the beautiful set up in the fellowship hall. Please keep our family in your prayers as we adjust to this time of transition in our lives, as we learn to live without the physical presence of our beloved husband and father.
