We, the parish family of Our Lady of Nazareth, do hereby covenant ourselves both individually and collectively to God, our Father, by working to accomplish the goals set forth below. Having been called by God, our Father, we are united by our commitment of service to others as living witnesses of the life, death and resurrection of Christ as taught by the Scriptures and His example. We, who are called to be ministers, missionaries and priests covenant ourselves to the following:

To develop authentic and meaningful liturgical celebrations to praise God and intensify our faith. To advance the physical, social and emotional well-being of the parish family and the human community by caring for the needs of the aged, poor, lonely, racially exploited, socially oppressed, helpless and suffering people. To provide ample social activities so that we might develop as a parish family. To provide continuous religious education and formation for all parish members. To provide adequate physical surroundings, financial resources, and management to implement this covenant. So help us God. Amen

* CREATION CARE GROUP

God called us to "fill the earth" and to "have
dominion over" it as "stewards" of God himself. As
God's co-worker, man has a duty to exercise
responsible stewardship over creation, to care for it
and to cultivate it. Natural resources should be used
in such a way that immediate benefits do not have a
negative impact on living creatures; present and
future. As Pope Benedict XVI states in his 2010
World Day of Peace message, "The Church has a
responsibility towards creation, and she considers it
her duty to exercise that responsibility in public life,
in order to protect earth, water and air as gifts of God
the Creator meant for everyone." Explore some
options we have to protect creation by coming to an
OLN Creation Care Meeting on the **first Monday of**
every month at 9:30 am in the Library. The next
meeting will be this **Monday, June 7th.**

ST. FRANCIS HOUSE is in need of SOAP,
SHAMPOO AND TOILET PAPER. Please be
generous in helping those less fortunate in our valley

JUNE 6, 2010
