## Order of Christian Initiation of

We, the parish family of Our Lady of Nazareth, do hereby covenant ourselves both individually and collectively to God, our Father, by working to accomplish the goals set forth below. Having been called by God, our Father, we are united by our commitment of service to others as living witnesses of the life, death and resurrection of Christ as taught by the Scriptures and His example. We, who are called to be ministers, missionaries and priests covenant ourselves to the following:

To develop authentic and meaningful liturgical celebrations to praise God and intensify our faith. To advance the physical, social and emotional well-being of the parish family and the human community by caring for the needs of the aged, poor, lonely, racially exploited, socially oppressed, helpless and suffering people. To provide ample social activities so that we might develop as a parish family. To provide continuous religious education and formation for all parish members. To provide adequate physical surroundings, financial resources, and management to implement this covenant. So help us God. Amen
