

VALLEY-WIDE LENTEN MISSION

March 21-25, 2010

Join us on a journey of Spiritual Renewal as we open our eyes, ears, minds and hearts to God's word and loving mercy. Our mission team will emphasize a positive image of God and challenge us to a more mature response to God's word through prayer, song, presentation, discussion and reflection. **Don't miss this opportunity to 'BE OPENED'** as we gather in faith and fellowship. Ephphetha!

Lenten Mission Team
Thomas More Center
